# Searching your Library Print and Electronic Resources

Whether you want to find a book, an electronic journal article or other electronic information start your search in the same place, the simple search box, called **Find it @ Harper** in the green band on our library home page (http://www.harper-adams.ac.uk/university-life/library/ (and every other page of the Library pages on the website):

University Life

Find it @ Harper: search here for books, journal articles and more...

You'll find lots of great advice on using the library and services, and finding information relevant to your studies.

Need help using the library?

Contact us on 01952 815393 or email libhelp@harper-adams.ac.uk

Off-campus users can sign in to gain access to many of the library's online services.

SIGN IN

Off Campus? To access the full text of our e-resources use the turquoise button to sign in before you start your search

Please note that **Find it @ Harper** cannot search Estates Gazette Interactive, LexisNexis, iSurv, Mintel, Keynote, IGD, Passport, ASABE or BSI Online. To search these you need to follow the Databases link in the list in the top right corner of the library home page.
Start your Search

Cat behaviour

Type in a small number of key words to find information on a topic or perhaps one or two words from the title and the author's sur-name if you are looking for a specific book

For books you will need to use more general keywords than for journal articles. For these you may need to be very specific.

Results Page

At the top of your results you can see two tabs:

Find it @ Harper	Catalogue

Results 1 - 25 of 28054 for cat behaviour

For **print books, print journals and e-books** use the **Catalogue** tab, see page 3 of this guide for more information on the Catalogue

For **journal articles and other electronic information** use the Find it @ Harper tab
