

## Logging into electronic resources off campus

For the resources that will appear in your results if you search on Find it @ Harper and the vast majority of our electronic resources, such as ScienceDirect and John Wiley you can log in using your Harper ID number and password.

Log in **before** you start searching by going to the library home page and use the Log in button

Find books, journal articles and more:

Keyword  Find it @ Harper

Full Text  Peer Reviewed

start your search here

### Library Services

Welcome to the new homepage for Library Services at Harper Adams. Browse the site and you'll find lots of [great advice on using the library and services](#), and [finding information](#) relevant to your [studies](#). Off-campus users can [log in](#) to gain access to many of the libraries online services.

[Log in »](#)

Now you can search using Find it @ Harper or Google Scholar or anywhere else and, if we have a subscription to the resource, you should not be asked to log in again for the rest of that session. If you search on Google Scholar first you will not be able to log in directly from the supplier's page; you need to come to the Library home page to log in correctly.
