

Applying for on-campus accommodation

You will be eligible to apply for accommodation when you:

- Hold a firm offer from us (conditional or unconditional)
- Put us as your first choice
- Have accepted the Harper Adams' firm offer (conditional or unconditional) on UCAS

You will not be able to apply for accommodation at Harper Adams, if we are your insurance choice.

Once we become your first choice, you will be able to apply.

When to apply for on-campus accommodation

Our accommodation online application system is usually launched at the end of May, of the year you are starting.

ie. if you were starting in September 2017, you would complete your online application in late May 2017. Booking opens on 24th May 2017 for students commencing in September that year.

Deferred students will need to resubmit an accommodation application for the year they are planning to join us, even if they have applied before.

Accommodation information, including step-by-step guide on how to apply online, will be sent to all eligible students end of March/beginning of April.
