

The David Lawson Scholarship Application 2016/17

The David Lawson Scholarship is open to all 2nd Year BSc, Final Year BSc or Final Year FdSc students enrolled in full-time education at the University who are studying Engineering. Preference will be given to those students studying Agricultural Engineering who are able to demonstrate a passion for applying the knowledge they have acquired at Harper Adams to a future career in this sector.

The successful scholarship recipient will receive a one-off payment of up to £1000. The award will be payable in two equal parts; half to be paid in February 2017 and the balance in May 2017.

Payment is conditional on the scholar remaining registered as a full-time student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit at least one written report to the Development Trust prior to the receipt of their second payment.

This is a competitive award, evaluated on the merit of the submitted application, along with academic achievements to date and interview. The decision of the David Lawson Scholarship Panel is FINAL and they reserve the right to withdraw the award at any time should they feel this action is required.

Shortlisted applicants are required to attend a panel interview at HAU on Wednesday 30 November 2016
Please be aware that an alternative interview date cannot be arranged.
