THE QUAD OPEN HOUSE 9:00 - 15:00

Visit our Digital Skills Hub in Telford Town Centre, where we deliver our courses in Applied Data Science, Digital Business Management and Robotics, Automation and Mechatronic Engineering. The main open day activity for these courses will be on the Edmond campus (see previous page), but visitors are welcome to take a trip down to The Quad to see the learning spaces and chat to staff there.

Free bus available from QMH

Leaving HAU

12:00pm

14:00pm

Leaving The Quad

13:15pm

15:15pm

WE ARE HERE.

Every great student story started right here – and so could yours.

Read real journeys from Harper Adams University students and graduates who've made their mark, and see where studying 'here' could take you.
