THINKING ABOUT UNIVERSITY FOR 2026?

**Join our special reception for students
who might be joining us next month!**

If you have applied for or are considering an application for 2026 entry, please ensure you join our 2026 entry reception in **The Refectory (Queen Mother Hall Ground Floor)** at **12 noon**.

Alongside some treats, we'll have admissions, student support and other colleagues on hand to guide you through any final fact-finding and to help you prepare for the countdown to arriving at University.

Your future starts here.

WE ARE HERE.

**Every great student story started
right here – and so could yours.**

Read real journeys from Harper Adams University students and graduates who've made their mark, and see where studying 'here' could take you.

HAVE YOU VISITED:

COURSE TEAMS

Speak to as many course teams as you like at their **Course Hubs** – even if you aren't considering that course. Ask about modules, assessments, facilities, placements and career opportunities.

STUDENT SERVICES

We're here for you! Find out about everything from accommodation, academic support, wellbeing, disability and learner support to finance, the Students' Union and everyday student life. Available all day in **Queen Mother Hall**.

TRACTOR TRAILER TOURS

Explore Harper Adams by tractor! Tours run from 11:00 from the **Queen Mother Hall car park** and take around 40 minutes, with the opportunity to hop off at the Veterinary Education Centre.

CAREERS & UNITEMPS

Learn about part-time work, placements, careers support and graduate opportunities available throughout your time at Harper Adams.

STUDENTS' UNION & CLUBS AND SOCIETIES

Discover the social side of university, from sports clubs and societies to events and student-led activities. Head to **Queen Mother Hall** to see what's on offer!

STUDENT AMBASSADORS

Our student ambassadors are some of the best people to speak to on an Open Day as they're living the experience every day. Join them for a campus tour and ask about everything about student life here.

THE LOCAL AREA

Once you've taken the time to explore our campus, visit the facilities and imagine yourself studying and living here, why not discover the local area, too? Take a look around, get a feel for the community and explore the places that could become part of your university experience.

Many of our students choose to live locally after their first year, so it's a great opportunity to see more of the area you may one day call home.
