

# ACCOMMODATION INFORMATION ESSENTIALS

## At the Open Day:

- Take an accommodation tour and look at all accommodation available. Ask one of the ambassadors in yellow tops.
- Speak to ambassadors about student experience and keep an open mind.
- Come to the Accommodation stand if you have any additional questions and to collect price list.

## When to apply:

- Students will be invited to apply for accommodation in batches, based on the date you accept your course offer.
- Online accommodation applications invitations will go out from start of April.
- Deferred students need to reapply for accommodation for the year they are planning to join us, even if they have applied before.
- Information, including application step-by-step guide, will be sent to eligible students.
- The application process takes less than 5 minutes.
- Offers will be made at the end of August.

## Eligibility:

---

**Hold a firm offer**  
(conditional or unconditional)

---

**Harper Adams as your 1<sup>st</sup> choice**

---

**Accepted the offer on UCAS**

---

**Insurance applicants unable to apply until they change status**

## WHAT TO THINK ABOUT:

**Types of Accommodation**

**Budget**

**Lifestyle**

**Essential vs. Desirable**

## **PREFER TO LIVE OFF CAMPUS?**

**We are able to assist with finding suitable accommodation off-campus. The earlier you tell us, the better.**

**In the summer, rooms and student houses may be available, which can be circulated to those who express interest as well as details for students wanting to rent with other students.**

**There is no shortage of student rooms/houses available off campus in all year round, although lodgings are more limited after the start of the academic year.**

## **ACCOMMODATION IN 2<sup>ND</sup> YEAR AND BEYOND...**

- Students live off campus in Newport or adjacent villages of Edgmond, Adeney and Tibberton. Rent average £60-£80 exc. bills or £80-£95 inc. bills.
- There is plenty of accommodation available. Majority of student accommodation is in houses of 4 and 5 in residential areas. There are also lodgings and some small flats available.
- 1<sup>st</sup> year students are not encouraged to sign up for accommodation off campus until at least after Christmas, after we have done our housing forum and details of properties available are published.
- Year 0 students (Extended Foundation degree) do not automatically qualify for accommodation on campus in the following year, but may be an option.

## **IMPORTANT!!!**

- Keep contact details updated with our Admissions team, especially your email address. If possible, avoid using a school email.
- You will need your Harper Adams student application number. This will be the 6-digit number in all correspondence with admissions – not your UCAS number.
- If out of the country, when applying, get someone else to do it, but they will need access to your email inbox as part of the verification process.
