

The Agrii Scholarship Application Information 2022-23

Who can apply?

The Agrii undergraduate Scholarship is open to **2nd year BSc** or **1st year FdSc** students studying at HAU who are interested in pursuing a career with **Agrii** following graduation. **Only students eligible to work in the UK should apply** and applicants must possess a full UK driving license. **Please note: a placement year with Agrii must be suitable for your course area.** Should you require further clarification please discuss with your Placement Manager.

Opportunities

Agrii (trading name for Masstock Arable (UK) Ltd. and United Agri Products Ltd.) **may** award one scholarship and if awarded, the successful recipient will receive:

- A significant contribution towards their studies of **£4,500** in the year prior to placement
- Employment with Agrii during their placement year, providing the chance to gain experience with an Agronomist
- Subject to a review at the end of the placement with Agrii, there may be an opportunity of further funding in the scholar's final academic year
- Upon graduation there may also be an opportunity of a structured career path with Agrii

The award will be paid in two equal parts; half to be paid in February 2023 and the remaining balance in May 2023.

Payment is conditional on the scholar remaining registered as a full-time student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit at least one written report to the Development Trust prior to the receipt of their second payment. A condition of your scholarship is that you undertake your placement year with Agrii. In the event you are unable to take up or complete your placement, the sponsor reserves the right to require the scholar to return all or part of any scholarship payment received.

This is a competitive award and will be evaluated on the merit of the submitted application, academic achievements to date and interview. The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education

The decision of the Agrii Scholarship Panel is **FINAL** and they reserve the right to withdraw the award at any time should they feel this action is required.

Shortlisted applicants will be invited for interview at Agrii between 23rd November and 9th December 2022
