The Studley College Trust Scholarship Application Information 2022/23

Who can apply?

The Studley College Trust Scholarship is open to **year 2 and year 4 BSc, BEng or MEng or final year FdSc** students enrolled in full-time education at Harper Adams University. Students must be committed to a **UK land-based career**, which would normally fit into one of the supported categories: **Agriculture, Agricultural Engineering, Agricultural Marketing and Food Technology**. Applicants must be between the ages of 18-30 except cases of genuine career change. The Studley College Trust wish to support young people who are having their career progress obstructed by lack of funds, having utilised available allowances, loans and other financial support. As part of the application, you are required to complete a financial assessment form.

The Scholarship

The successful scholarship recipient(s) will receive **a one-off payment valued up to a maximum of £2000**. The award will be payable in two equal parts; half to be paid in February 2023 and the balance in May 2023.

Payment is conditional on the scholar remaining registered as a full-time student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment.

This award will be evaluated on financial need, the submitted application, academic skills and interview. The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education.

The decision of the Studley College Trust Scholarship Panel is **FINAL** and they reserve the right to withdraw their award at any time should they feel this action is required.

Shortlisted applicants will be invited for interview on a date to be confirmed in mid to late November
*Please note that an alternative interview date **cannot** be arranged*

Application Process

Your application must include the following four documents, which should be saved in PDF format, named 1 Consent Form, 2 Covering Letter, 3 CV, 4 Finance and emailed to DevelopmentTrust@harper-adams.ac.uk by **12pm noon on Tuesday 1 November 2022**. Email subject: **Studley College Trust**

Privacy and Data Protection Notice

How your personal information will be used:

As part of your application Harper Adams University will process your personal data as it is necessary for the performance of a task carried out in the public interest (the provision of educational scholarship programmes) or in the exercise of official authority vested in Harper Adams University as data controller.

Personal information that you supply to Harper Adams University may be used for the following purposes:

- To administer your studies and record academic achievements
- To assess and process your scholarship application
- To publicise your scholarship
- To administer communication between you and your sponsor(s)
- To assist in pastoral, welfare or additional needs services
- To administer the financial aspects of your scholarship
- To monitor equalities procedures and compliance
- To manage quality and effectiveness of provision including external audits
- For careers advice and alumni relations including fundraising

We may share your information with other departments in the University to carry out the purposes listed above. We will also share your personal data with the scholarship provider/sponsor; in this case for the purposes listed above.

Your personal information may be shared with third parties with your consent, where disclosure without your consent is required or permitted by law or where the University instructs or works with a third party for the purposes listed above. Your information will not be shared externally for marketing purposes.

The University may use automated profiling of personal information for the purposes of improving services, enriching your experience with the University or signposting events and activities that may be of interest.

Your personal information will be retained by the University for the period specified in the [Records Retention Guidelines](#). You have the right to access your personal information (in a format that is usable to you for other purposes), correct inaccurate or incomplete information or request that your personal data be deleted or processing restricted.

For further information about how your data is used by the University, please view the [Data Protection Policy](#) and [Layered Notice](#). The complaints procedure for Data Protection and Freedom of Information can also be found [on the University website](#) or contact the Data Protection Officer on dpo@harper-adams.ac.uk. The complaints procedure also sets out your right to lodge a complaint with the Information Commissioner.
