The Millichope Foundation Scholarship Application Information 2022/23

The Millichope Foundation Scholarship is open to all **2nd year BSc** students studying **Wildlife Conservation and Environmental Management or Environmental Land Management** at Harper Adams University.

The Foundation **may** award **up to two** scholarships and if awarded the successful recipient(s) will each receive up to **£1,250** for one year only. The award will be payable in two equal parts; half to be paid in March 2023 and the balance in May 2023.

Payment is conditional on the scholar remaining registered as a full-time student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment.

This is a competitive award which will be evaluated on the merit of the submitted application, academic achievements to date and interview. The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education.
