In 2023-24 we are pleased to offer John Oldacre Foundation MSc Scholarships match funded by the legacy of Alumnus John Wright through the Harper Adams Club and also by the Harper Adams University Development Trust.

You must be starting your studies at the University in Autumn 2023 and have achieved, or be expected to achieve, a minimum of a 2:2 Honours degree at the point of application. If an applicant is awaiting his/her degree results at the point of application, the award may be offered conditionally upon confirmation of the applicant achieving a 2:2 Honours degree or higher.

The Scholarship

The successful scholarship recipient(s) will receive an award valued at up to **£5,000** for the academic year that they study on campus at the University. The scholarship will be payable in two equal parts; half to be paid in February 2024 and the balance in May 2024. Payment is conditional on the scholar remaining registered as a full-time student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment.

This is a competitive award which will be evaluated on the merit of the submitted application, academic achievements to date and interview. The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education.

The decision of The John Oldacre Foundation Scholarship Panel is **FINAL** and they reserve the right to withdraw their award at any time should they feel this action is required.
