The KWS UK Scholarship is open to all **2nd year BSc** or **1st year FdSc** students studying **Agriculture** at Harper Adams who are **interested in knowing more about a career in plant breeding**.

### **Opportunities**

The company may award one scholarship, and if awarded the successful scholarship recipient will receive:

- A payment of **£2,500** in the academic year awarded
- Employment with KWS UK during their placement year
- Subject to a review at the end of the placement with KWS UK, there may be an opportunity of further funding in the scholar's final academic year

The award will be paid in two equal parts; half to be paid in February 2024 and the remaining balance in May 2024.

Payment is conditional on the scholar remaining registered as a full-time student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment. A condition of your scholarship is that you undertake your placement year with KWS.

The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education.

The decision of the KWS UK Scholarship Panel is **FINAL** and they reserve the right to withdraw the award at any time should they feel this action is required.

*Shortlisted applicants will be invited for interview with KWS UK between
