- Interest and enthusiasm for your field of study
- The potential to be a good future ambassador for Harper Adams University

***Please note that students may only apply for ONE Harper Adams Club Scholarship in an academic year (eg. Animal & Veterinary Sciences or Final Year, but not both awards)***

### **Opportunities**

The successful scholarship recipient will receive a **one-off payment valued up to a maximum of £1,250**. The award will be paid in two equal parts: half in March 2024 and the remaining balance in May 2024.

Payment is conditional on the scholar remaining registered as a student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment.

This is a competitive award which will be evaluated on the merit of the submitted application, academic achievements to date and interview. The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education.

The decision of the Harper Adams Club Scholarship Panel is **FINAL** and they reserve the right to withdraw their award at any time should they feel this action is required.

Shortlisted applicants will be invited for interview on Friday 16 February 2024

Please note that an alternative interview date **cannot** be arranged
