

The David Lawson Scholarship Application Information 2023/24

The **David Lawson Scholarship** is open to all **Year 2 BEng/MEng/BSc, Year 4 BEng/MEng/BSc or Final Year FdSc Engineering** students enrolled in full-time education at the University who are studying **Engineering**. **Preference** will be given to those students studying **Agricultural Engineering** who are able to demonstrate a passion for applying the knowledge they have acquired at Harper Adams to a future career in this sector.

The successful scholarship recipient will receive a **one-off payment of up to £1,400**. The award will be payable in two equal parts; half to be paid in March 2024 and the balance in May 2024.

Payment is conditional on the scholar remaining registered as a full-time student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment.

This is a competitive award which will be evaluated on the merit of the submitted application, academic achievements to date and interview. The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education.

The decision of the David Lawson Scholarship Panel is **FINAL** and they reserve the right to withdraw the award at any time should they feel this action is required.

Shortlisted applicants are required to attend a panel interview on
Thursday 15 February 2024

*Please be note that an alternative interview date **cannot** be arranged*
