

Butchers' and Drovers' Charitable Institution Undergraduate Bursary Application Information 2024-25

The Butchers and Drovers Bursary is open to all first and second year students (*in the 2023-24 academic year*) on a BSc or FdSc Course and enrolled in full-time education at Harper Adams University, and BSc students currently on placement year in their third year. You must be able to demonstrate a relevance to the meat and livestock industry either within your chosen area of study or future career plans.

It should be noted that preference will be given for those candidates who have family or employment links with the meat and livestock industry or who have an intention of seeking employment in the industry.

The successful scholarship recipient(s) will each receive **a payment of up to £5,000 for the awarding academic year and for each of the remaining academic years of full-time study at HAU (excluding placement years)**. For example, if you are successful and you are currently a second year BSc student, then you would receive funds in 2025/26, your final academic year, as 2024/25 is your placement year and is therefore not an academic year. The award will be paid in two equal parts; half to be paid in February and the remaining balance in May of the awarding year(s).

Payment is conditional on the scholar remaining registered as a full-time student at Harper Adams. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment.

This is a competitive award which will be evaluated on merit of the submitted application, academic achievements to date and interview. The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education.

The decision of the BDCI Bursary Panel is **FINAL** and they reserve the right to withdraw their award at any time should they feel this action is required.

Shortlisted applicants will be required to attend an interview at Harper Adams University on **5 June 2024**. You will find out by email by 29 May 2024 if you have been shortlisted for interview.
