Opportunities

If awarded, the successful recipient will receive a one-off payment of **£1,500**.

The award will be paid in two equal parts; half to be paid in February 2025 and the remaining balance in May 2025. Payment is conditional on the scholar(s) remaining registered as a full-time student at Harper Adams University. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment.

The successful scholar will be awarded membership of the Newport and District Agricultural Society for 12 months and will also be required to give a presentation at the Society's AGM in the academic year in which the scholarship was awarded (normally held in January).

The Society will invite the successful scholar to attend the Newport Show in the relevant academic year awarded and have some mutually agreed involvement in its planning and organisation. They would also be encouraged to develop a long-term relationship with the Society.

This is a competitive award which will be evaluated on the merit of the submitted application, academic achievements to date and interview. The Development Trust embraces diversity and promotes equality of
