

The Studley College Trust Scholarship Application Information 2026/27

Who can apply?

The Studley College Trust Scholarship is open to full-time **Year 2 and Year 4 BSc, BEng and MEng and final year FdSc** students at Harper Adams University. Students must be committed to a UK land-based career which would normally fit into one of the supported categories:

- Agriculture
- Agricultural Engineering
- Agricultural Marketing
- Food Technology
- Rural Enterprise and Land Management

Background

The Studley College Trust wish to support young people who are having their career progress obstructed by lack of funds, having utilised available allowances, loans and other financial support. As part of the application, you are required to complete a financial assessment form.

Opportunities

If awarded, the successful recipient(s) will receive a one-off payment valued up to a maximum of **£2,500**.

The award will be paid in two equal parts; 75% to be paid in February 2027 and the remaining balance in May 2027. Payment is conditional on the scholar(s) remaining registered as a full-time student at Harper Adams University. They must pass all modules of study during the continuation of the scholarship and submit a letter of thanks for the sponsor to the Development Trust prior to the receipt of each payment.

This award will be evaluated on financial need, the submitted application, academic skills and interview. The Development Trust embraces diversity and promotes equality of opportunity and access to higher education. The Trust has been successful in supporting a wide range of students. It strongly encourages applications from students of all backgrounds. Where there are two applicants of equal merit, preference will be given to applicants who are from backgrounds that are underrepresented in UK higher education.

The decision of the Scholarship Panel is **FINAL** and they reserve the right to withdraw their award at any time should they feel this action is required.
